Charles Howard esq

Dear Sir,

It is with extreme regret that I feel myself obliged, by the sickness of Mrs McKenney, to defer my visit to your Board until next week. There is at present every prospect of my being able to leave home with prudence, this day week. If possible I will leave on Sabbath morning.

I shall bring on with me an address to the free coloured people of the E. Shore of Maryland, from a gentleman, a native of Cambridge, Dorchester County, whose influence with that class of our population is decidedly great, & which will, as I hope, be instrumental in determining many of them to accept the offered privilege of a free transportation to Liberia. -

I am very respectfully
Yr obt Svt
