have given in their names. — 23 of them reported to your Board by Mr. Patrick under date of July 27 did not calculate to go for a year or two — Should I get over my troublesome complaint which I have had for several days, I calculate to be on my way to Princess Ann to morrow — Indeed I was to have been there to day, by appt — but my indisposition has prevented. —

I received a very important communication from the Chairman of the executive committee of the Md State Col. Society yesterday evening — I presume you are apprised of its nature. — The officers & managers of the Salisbury Society are very much pleased with it — I have not exactly strength to write another letter this afternoon, or I would acknowledge in proper form the letter alone referred to. — Will you do me the favor to make this acknowledgement for me, & express Mr. Etting, the Chairman, that I will with very best endeavors use my best exertions to carry into effect the wishes of his Board as expressed by him & Mr. Latrobe, the Corresponding Secy. —

Having been almost constantly on the go, I really had not had time to write for leave this new; excuse this, if you please, as my apology.

I write this more to yourself than the Board, though wish you to communicate the main facts it contains to the Board. — As soon as I shall have visited Princess Ann & Snow Hill I shall be able to state something like the number of Emigrants we may calculate on — I will then forward what I will call an official dispatch —

In the mean time I will suggest the probability of our having at least 50 from this Shore — A vessel should be ready to receive them by the 15th of next month. —

I have received a letter from home — my family still unwell — may I ask you, my friend, to do me the favor to remit to Mrs W Kenney 25$ for which I will account to you when we meet — direct to Mrs Chloe Ann W Kenney, Norfolk Virginia. —

With sincere regard
W. W Kenney
