Colonel Howard Esq.

Dear Sir, I seize a moment to advise you that I am now on my way to Salisbury, at which place I shall expect to receive a communication from your board touching the point named in my letter from Salisbury. —

I had intended to draw up, & forward by this mail a condensed statement of my operations since the date of my communication of the 20th. ultimo; but I have been so constantly on the go, (more with the tongue than the feet) that I have not been able to do so. I am therefore compelled to defer it, for the time being, to my party & my friendly fellow to your excellent Corresponding Mr. M. Repard, written from Dorchester. —

In this place, I have received after the usual labor, 19 candidates — & a family of thirteen young hearty hale, male & female, people of color, emancipated (by memorial yesterday) by Col. Jones, of this County — I am now on my way to his house, for the purpose of receiving the necessary authority from him, to authorize me as your agent to place them on the list of emigrants. —

You may calculate on not 80 only, but contingencies considered & allowed for, not one less than 100 — if not 125. —

About the vessel — & the place of embarkation — I am to day quite bothered
