To The Managers of Maryland State Colon.
Gentn,

In the list of Emigrants to Liberia, from the E. Shore you will find the name of James Price. - He is from the immediate neighborhood of Salisbury, & was received by me in the character of an agent, deputised by the Salisbury Colon. Society to visit Liberia for the purpose of making observations upon its state, condition &c. - The Salisbury Society have advanced him the sum of thirty five Dollars to pay the expence of his voyage from Liberia to this Country. -

As the Salisbury Society have omitted to give him a letter to Doctor Mechlen, the Governor of Liberia, I respectfully submit his case to your favorable consideration. - It is due to him, that I should state, that his character is unimpeachable - His influence with the people of his Colour is very considerable, & a favorable report from him, personally
