to congratulate you & the other members of the Board, on the <u>rumored</u> purchase (if I may use the expression) The stand taken on that subject by Dr H, surprised the natives a little at first, but it will result in great good to both parties. We were pleased with that section of ~~your~~ country as mighty grounds.

I hope you loose no time in sending your Col a new recruit of pooh & emigrants — & all due rule to me to make another suggestion, <u>be careful that you get a good man to take them out.</u>

I suppose you have rec'd a draft from Mr Rogers for the passage of the boys to this country — I have given another to the Capt. of the Schooner Baltimore for their passage from this place. The Baltimore is expected to sail from this place on Sunday next.

I go on to Boston tomorrow where I shall remain two or three weeks, if you have any particular orders to make, write to me at that place directing to the Missionary rooms. In very great haste, but affectionately

Leighton Wilson

My kind regards to all friends, particularly to the members of your Board with whom I am acquainted.

Yours in haste
