Carlisle July 1. 1834

Dear Brother

George A. Lewis Esq. a gentleman of the Bar is about to visit Baltimore – He is a warm friend of the Colonization cause and indeed I have been told that a principal object in visiting Baltimore at this time may possibly have some connection with Colonization – I have taken the liberty to give him a letter of introduction to you – believing that you will be cheerfully permitted him with any information in your possession – in relation to the subject which may be interesting or profitable He is a gentleman of standing & respectability in this place – I refer you & few days past on this subject – Mr. Lewis can give you particulars –

Yours Respectfully
