should deter me from the pleasure of copying them for you — I must however defer it for the immediate present as I ~~am~~ propose going to the country to recruit from the hot weather I am only however to be absent for a fortnight or so when I shall immediately think of Mr Ch[illegible]

The last meeting of the board of Managers of the Penn.a Col. Soc.y was called for a special purpose — so that no other business could be transacted & I had no opp.y of offering a resolution which I had in my pocket — expressing the appreciation & thanks of the Society for the able exposition of Col. ization principles which the bird of Mr Breckenridge & yourself allowed to me, cit-izens at our succession meeting — but you may be assured the Society is fully sensible of & grateful for those services — & in the increase of names of members & the widening & deepening of the Col.n sentiment in our city shows the effect of them —

I may possibly pass this Baltimore in a fortnight when I will do myself the honor to call upon you —

you very respectfully
