Mr Latrobe

My dear Sir

~~I~~ you have received a letter from Dr Wisner within a day or two past, if it had not been lost, making application for a passage in the ship you are soon to send to Cape Palmas, for myself & company, & also making inquiry with regard to the time of the vessel's leaving Baltimore. He probably informed you that there would be besides myself & wife, four colored persons; but subsequent information makes it pretty certain that I shall have only two colored persons (women & small girls) for whom I should want a state room besides one for myself.

Will you be pleased to inform me as soon as you can, whether we can have passage in your ship — & as nearly as you can the time of its sailing. We
