Mr. W. McKenney

Dear Sir

I have just rec.d your official communication of yesterday. I am still disposed to liberate my Blacks for Emigration; but they have not finally determined on going, at any rate the notice is too short to enable me to make my arrangements — By the time your next expedition is ready (wh. I no doubt can be informed of) if they are determined to avail themselves, I will probably be prepared, & give you notice — your "Colonization Journals" shall be circulated

Respectfully I remain your Ob. Serv.t
