State Colr. Fund

Dear Sir

Permit me to call your attention to the wants of the Emigrants now in the city & under the charge of the States Board. - More than one half of them, have recently been admitted, are very destitute of such articles as will be absolutely essential to their comfort when they reach the Colony - such for example, as spinning wheels - cotton cards - sheets - pulling hoes, shades, axes, hole augers, hatchetts &c.

Their supply of clothing is very scanty. This, the expense, however I trust will be met by contributions from the public - The Ministers of the Methodist episcopal church, in the city, have promised me to bring this subject before their respective congregations to morrow -

An appropriation by your Board
