Revd Wm McKenney

Dear Sir,

Your Letter of 30 ultimo was received a few days after its date & would have been answered sooner, had it been in my power conveniently to have done it, but previous engagements have taken up all my time —

It will give me much pleasure to comply with your request and to give encouragement to the cause in which you are engaged — I will endeavour to get your Circular into the hands of the Clergy, and shall hope, they will endeavour to make collections — Be pleased to accept assurances of my highest respect.

Your obedt. Servt.
