Richmond to this City vacated his seat at the Virginia Board - He is wealthy, benevolent, liberal - and vastly influential in the Baptist church, of which he is a most prominent member - Since his location in this City he has contributed to their comfort by purchasing Rent a church with his own funds.

I have known him for many years, & used to meet him at the Virginia Board. I met him this morning for the first time since his removal to the City & found him as much alive to Colonization as he was in Richmond. - If the Board see fit to elect him I pledge myself that he will assist faithfully among some.

With sincere respect & esteem I am
