the property of the M. E. Church at Cape Palmas. —

Doctor Hall's account is not before charged with this sum, should and be debited to that amount, & credited by his acceptance of the draft referred to by him in the enclosed paper. —

In conclusion, permit me respectfully to suggest that as the Revd Mr. Seiss is now in Liberia, acting in the relation of General Superintendent of the Methodist African Missions, it would be well to send ~~him~~ Doctor Hall's obligation to him — my impression is that Mr. Seiss has appointed a preacher from the old Colony to superintend the church at Cape Palmas, but not being absolutely certain of the fact, it would be better as above intimated to send the paper to Mr. Seiss at Monrovia. —
