could be communicated to him at that time — He says that an impression prevails among the blacks, or at least some of them that your Board will not aid them in getting to that Island. —

I have felt it to be my duty to make this report to you, & beg leave to suggest that it might be premature of an extensive emigration, especially from this city of many worthy blacks who would not make, very readily, good citizens of Maryland in Liberia, if this application should be favorably met. —

By sending the expedition to Hayti & another to Cape Palmas this fall much good might be effected to the general cause of State Colonization with the ensuing Legislature. —

Price is the first person on the list of those your Board sent to Hayti in 1832. — For the information of your Board he will bring into the Office to-morrow an English copy of the Constitution of Hayti. —

With sincere respect
