

Dr. W. -

Oct. 23^d - 1800 -

I returned last night from
Baltimore & will be in Annapolis to
see you tomorrow morning - I wish
you not to have any thing more done
to the shed or works for clearing being
until I come down - I know the in-
formation I have got - perhaps I can
make it rather more convenient for our
use -

Yrs. respectfully
A. Maynard
