with the African Coast, is also in the market as a bidder for the Job of taking emigrants to the Colony. - His fast sailing, from her tonnage would accommodate Eighty - Eight. - Sixty is the number named in my letter to you of the 7th Inst. - It may possibly reach 80, but it would not be safe to contract positively for more than 60 - This might be done with the privilege of increasing the number to 80 or more. -
