

- on this subject. I wish you to advise with our
Friends & inform me, by Mr. Wharfe's Stage
on Monday - or the Mail on Tuesday at all
events - as to the extent of the price & quantity -
the Hogs are to be in Town on Tuesday -
It is very inconvenient for me to wait so long -
but as the demand is so great here for Hogs
I will try to be among the first to take a
chance at those - they are from the Ohio & large
I hear - I wish to hear from you before I strike
at them - from \$6 to \$6.25 I believe will
be the price for them here - will it be safe
for us to purchase here at this price?

Pork in the Market here this Morning from
\$6.25 to \$7 - & I wish sales - Have
you been able to let the Troops taste your
pork & Potatoes - If I purchase a quantity, a
considerable sum will be wanted from March -
therefore you must make arrangements accordingly -

Yours with respect
A. Magnanier
