Rev d Dear Sir,

We are expecting, in a very few days, to despatch a vessel, with emigrants, from Norfolk to Liberia. Should you wish to send letters by her, please entrust them to Mr M'Phail of Norfolk.

Are you in any danger of losing your State appropriation? I hope not; but have seen some conjectures of the kind in one of the newspapers.

Will you be good enough to send me two copies of your last Journal? The copy I had, has unfortunately been torn, & I wish to make some extracts from it for the Repository.

With greatest respect & esteem
yours my Dr Sir
Most truly
R R Gurley
