Norfolk February 19th 1836

Mr Ira A. Easter,

Dear Sir,

In answer to your's of the 12th Inst. I have to inform you that the Brig Luna Capt. Bears arrived here yesterday and will commence taking in cargo and her outfittings the first good day.

It is stipulated in her charter party that she is to lay here, Ten working days so that it is probable she will not sail before the first day of next month — so, that any thing you wish to send arriving within that period will be in time. There will be sufficient room in the vessel for fifty barrels Bulk of freight and Ten, twelve, or more passengers, so that if either freight or passengers were to be sent by you they would be received on the same terms as other freight and passengers are taken in this vessel. All the Emigrants in this vessel are sent out at the expence of their former owners - For all over Fifteen Years Thirty dollars each and under that age Fifteen Dollars —

For the Articles you sent before I will send you a bill of Lading as soon as shipped

Yours Very Respectfully
