City of Annapolis
March 7th 1836

Dear Sir,

If possible, please have the last report sent to me by the Wednesday Boat - would it not be able to send at least 250 or 300 copies? - Members of the Legislature who are decidedly friendly to the cause, would take great pleasure in circulating them among their constituents -

The Annual Conference of the Methodist Episcopal church will commence its session in Baltimore on Wednesday. - I suggest the propriety of furnishing each member with a copy of your report, and a copy of my statement of facts. - would it not be well also to call a meeting of the Board & get a resolution passed requesting the members of the conference to take up collections
