Chester Town 9 Apl. 1836

Dear Sir

At a meeting of the Citizens of this County held a few days since a Committee was named to procure funds to fund a coloured man to Cape Palmas under the protection of the State Colonization Society, and another Committee to arrange with the Society the preliminary measures necessary to secure his passage and to facilitate the purposes intended by his visit. A copy of the proceedings of the meeting, herewith enclosed, will put you fully in possession of the objects proposed to be accomplished.

On the part of the last named Committee, I have the pleasure to announce to you, that the funds supposed to be requisite are likely to be promptly furnished, and to enquire upon what terms, at what time & with what preparation we may expect a Conveyance for him and to what extent we may anticipate the assistance of the Society or its agents in the entire fulfilment of our objects.

We have every reason to believe
