To Rev. Ira Easter

Dear Sir

I have been looking out some days for the arrival of a box of reports, and papers. Mr Latrobe wrote me that they were ready to be forwarded. I have sent once to Phila, and inquired for them at Trenton, but nothing could be heard. If you have not yet sent them, be so good as to put them on board the boat, directed to me at Phila. I expect to be in that city on Friday, and will call at the Steam Boat office.

I expect to commence agency business in a day or two. It is the general opinion that N. Jersey will fall in pretty heartily with your society.

My regards to Messrs Latrobe & the Board.

Your Most Respectfully
S. R. Wynkoop
