Mr. J. R. Gurley

Dear Sir.

As I have some very special business on hand requiring my attention this evening, it will be out of my power to be present at the Colonization board. (The business can be done whether few or many be present - or an adjourned meeting to next monday could be appointed. Though I prefer the election being had to-night if a suitable board be made up - I beg you & the gentlemen to be sure of your men.
