Baltimore 30th April 1836

John H. B. Latrobe Esqr.

Corresponding Secretary Maryland State Colo Soy

Dear Sir

The last official account of my transactions was written at the residence of L. L. Clopper Esqr. Montgomery County. I now proceed to give some account of my labours since that time. The following day being the ~~[illegible]~~ Thursday the 14th April I proceeded by the advice of Mr Clopper to visit Wm Barnes Esqr of Darnstown, & Mr Williams a wealthy farmer residing in the Potomac who had not long since ~~[illegible]~~ represented the County, and from thence to Dr Whites also a former representative and Lynd Wheeler, a gentleman of considerable influence in the upper part of the county. These gentlemen were all favorable to the views of the Society and expressed a deep interest in its success. But Doctor White informed me, that it had been his intention if ~~[illegible]~~ something more effecient were not accomplished this year than the two last, to recommend to the next Legislature to take away the State appropriation.

Having staid all night at Lynd Wheelers I returned the next morning calling on Mr John Peter and Major Peter, who were equally friendly to the interprise, but neither could agree to attend the Meeting at Rockville on the next day; nor did they appear to think much could be done for the Cause in their immediate neighbourhood. I arrived on the same morning at Rockville, prepared to attend the public meeting
