Washington May 1st 1836

Sir

I shall send to you an address I delivered in 1832 before the Colonization Society at Tallmadge in Ohio. My confidence is strengthened each year, in the cause of colonization, and I am astonished every person does not see the remedy, for removing what most persons admit to be an evil — Slavery.

I greatly rejoice in the prospects of the Maryland Society, and hope, no discouragements may cause you to falter.

I wish to obtain your annual reports, if you have any spare copies on hand.

I shall be highly gratified at all times, to be put in the possession of any interesting information you may receive from Cape Palmas.

Very Respectfully
Yours
E Whittlesey
