

M<sup>r</sup>. Maynard tells me - our Mavells are  
almost out - I do hope my Vessel will  
bring some - but if she does not - we  
must try to get them by some other Vessel  
- I wish you to write to the Man up  
the Bay. by the next Mail - that we  
may be more on a certainty as to his  
Mavells - If our Mavells cannot be had  
in time - we must salt. in August -  
to be repacked - M<sup>r</sup>. H. C.
