Baltimore 5th May 1836

John H B Latrobe Esqr
Corresponding Secretary Maryland State Soc
Dr Sir

Agreeably to my previous plan of communicating to the Board of Managers the progress of my labours I now proceed to state the manner in which I have employed my time since I last wrote.

Having already stated, that on my way to Cecil I had stopped at Harford and requested the Ministers of the M. E. C. to publish several appointments for me in that County. I returned on Sunday the 1 May to meet my appointments in Abingdon. I accordingly preached to a mixed Congregation of white and coloured persons at 3 o'clock exclusively on Colonization: and at Candle light I addressed and instructed a large number of people of Colour on the nature and design of this benevolent scheme. When the Congregation was dismissed a quarter past two o'clock I proceeded to the house of Mr Allaw a pious and influential member of the Methodist Church where I continued to explain and enforce my views upon two Coloured ministers
