Revd W. McKenney,

Dear Brother

Please excuse me for troubling you again, but I feel anxious to have a piece of African Tobacco, you'd please send me a piece by Mr Jno. S. Ward, who will deliver this letter; I called several times at your office during the afternoon that you appointed, but could not find any one there at either time

From conversations with several gentlemen and some colored persons I think there is no likely hood of getting any emigrants from this section of country during the spring —

No 4 Colonization Herald came to this office in due time —

Yours &c

Robt. S. D. Jones
