

D. Sir -

30th Nov^r. 1810 -

I sent Mr. Walden to Balt^e yesterday & hope he will send on in this Days packet. Parcels from Mr. Hart. or others that are good - I think if you have any leisure now. I would take the best of the Salt Parcels & have all the necess^{es} & things packed. with as much salt as possible to come in - If you can send me the weights of Mr. Westingtons Cattle & Mr. Sam Meters. I should be much obliged -

Y^{rs} respectfully
