Charles Howard Esq.
of the Managers of the State Colonization

Dear Sir,

I have received your letter of yesterday and on Monday will pay the Managers draft for two thousand dollars of which you advise me -

My purpose in writing, is to ask the future forbearance of the Board this year, as far as the duties they are charged with will possibly admit of - because of the unprecedented exhaustion of the Treasury, unexpectedly occasioned by the failure of the Balt & Ohio Rail Road Co. to divide in April last and by the heavy cost of the two recent Sessions of the General Assembly -

Including the draft referred to, I shall have paid this year already to the order of the Managers, Seven Thousand dollars - which is exactly as much as I paid to them in the whole of the last year -

Will you oblige by informing me, whether the operations of the Board are likely to require any more from the Treasury in the current fiscal year which will end with the 30th of November next - and if they are, how much - at what times and in what sums respectively -

Very respectfully Sir
Your Mo. obt.
