John H. B. Latrobe Esqr
Corresponding Secy Md Colo Soc
Dear Sir

I arrived in St Mary's on friday evening, and meeting with Mr Cornelius Barber on the Steamboat I kindly invited me to his house where we arrived on Saturday to dinner. On Sunday I attended the preaching of the Revd Mr Evans of the Methodist Church at Bethel near Mr B's and at the close of the sermon addressed the congregation at some length on the subject of my mission. On monday (yesterday) I visited Mr Parnham, and saw a man of his who intends going out in the spring expedition. I requested him not to go to the City until he was informed that the Vessel was ready. You will therefore please see that information is sent in due time. Mr McKenny will know where to write. I go to day to Gov. Thomas's to consult him about the organization of a Society.

There is no scarcity of Muschetoes in this Country. My time and observation here are so limited that I can say nothing about future prospects. But have nothing to fear if I can enjoy health.

If Mr. Bennet resigns his situation in the Office let me beseech you not to employ another Clerk.
