

D. Sir -

Feb. 27<sup>th</sup> - 1811 -

This will be handed you by Mr. D. Van Matre - The enclosed account I have submitted to Mr. V. Matre's inspection and according to it he will settle with you - You will observe I have charged him with only 20 barrels of Corn furnished by you at Annapolis - instead of 23 barrels - which I think was the quantity - but all things considered I have agreed to put it at the even number of 20 barrels as stated in the account - by which it appears the balance due to Mr. Van Matre is \$1576 = 36<sup>cts</sup> - This you will pay & take a receipt for the whole & enclose Mr. Propeck's receipt - Let me hear from you by Ad -
