Missionary Rooms, Boston;
June 13th, 1836.

Dear Sir,

From the extracts which the papers make from your "Maryland Colonization Herald", we are led to suppose that a file of that publication would be of important use to us in forming our missionary plans and conducting our operations in West Africa. Will you permit us to trouble you to have the paper forwarded to us, from its commencement. If you please, we will forward our "Missionary Herald" to you from the same date; & pay you for the back numbers and exchange with you in future.

The expedition of Dr. Hall up the Cavally river is one of great interest, and promises more, relative to the speedy introduction of learning & Christianity into the heart of
