Dear Sir, New York July 4. 1836.

On the suggestion of Dr. Hall I enclose you a letter to Mr James M Thompson, who has entered into the employment of the Foreign Committee of the Board of Missions of the Protestant Episcopal Church, and is established at Harper in the Territory of Maryland, to be forwarded by the Financier.

We are desirous of sending out some merchandize to Mr T. to cover expences he is about to incur in building a Mission house & School; but have not been able to have the articles ready for the Lima, which sails today with Colonists for Bassa Cove; and on the whole would prefer sending by one of your vessels direct to Cape Palmas to
