Rev. Sir, July 19th 1836

It was in consequence of my inability to control Davy & his family that I requested that they might be taken off my hands. As the Managers declined acting immediately, I have transferred both the authority, and responsibility which rested upon me to the Rev. H B Goodwin, who was willing to receive them. I presume this will be acceptable to the Managers.

I sent my Man Stephen in the Steamboat Fredericksburgh, Capt. Jenkins, and hope he arrived safe. Please to inform me whether the Vessel in which he was to go, has sailed for Liberia & whether or not Stephen arrived in time. You will also oblige me by informing me what Governor Hall says of the State and prospects of the Colony. And whether Stephen left Baltimore in health & good spirits.

Present my respects to Mrs. McKenney and the other members of your family.

Respectfully, your friend.
