vs, absolute want of time to think independ of writing, I shall say but a few words more. The Map, and a line or two relative thereto, I can send this time, as I have not yet had a chance to finish it, Mr Mc Gill can give you much verbal information if required. The box of Monkey skins &c as also the Mats of Palm leaf accompanying it are for the Society.
The whole Colony without exception enjoying good health

Yours Respectfully
Oliver Holmes jr

P.S. I have also sent a chair for the Society's office, merely because it is African, not as any great curiosity.
