J. H. B. Latrobe. Esqr

Dear Sir.

This will be received per Big Fortune. and leaves my family & myself enjoying as good health as can be expected considering the illness we have to undergo in this Country. I am contented; and have nearly finished my house; and hope when it is completed to engage in farming more extensively than I have already done, as my House is on my Farm Land.

I am compelled to tax your generosity, by desiring you to procure me a Brass Wired Sieve, and a small piece of Oil Stone, for the purpose of sharpening my carpenters tools on, also 1 pair green Glass spectacles about No 50. I have not received the effects sent by the way of Monrovia, nor can I exactly say when I may receive them.

Your Humble Servant
