Cor. Sec. Md. Col. Soc.
Dear Sir

Your esteemed favor of 20th Apr was duly received at a time when I was more than usually occupied in business & was laid aside with the intention of embracing the first convenient opportunity to reply to it and tender thanks for the information contained in the Letter & the Report &c, and for your kind offer of cooperation which are duly appreciated, although our Society does not fully concur in your views as to separate state action. It was not the intention of our Society by the resolution, of which Mr Finley informed you to be separate entirely from the American Colonization Society, with which we still think we can with great propriety act in concert, although we take under our own charge the emigrants from this state.

We are much pleased with the favorable report of your Colony, & trust that whatever differences of opinion may exist as to the mode of action, the cause will continue to prosper.

Hoping you will excuse my neglect to acknowledge sooner your kind Letter,

I am very respectfully
Your ob Serv't
Thos Hendryx
