Office of For: Com: Epis: Mission,
New York. 2 Sept. 1836

Dear Sir

Your favor of the 31st ult.o is just received and will be laid before our Com: next tuesday. In the mean time however I would state that Rev. Thomas L. Savage recently appointed one of our Missionaries to the West Coast is a skilful Physician having practiced for several years in Connecticut and having very high testimonials from New Haven as to his medical qualifications. We esteem it a blessing that such a man is to be attached to the mission and we presume at Cape Palmas tho' the precise location of the three now appointed for W. Africa is not yet arranged. We shall have need very shortly to consult with your Society and with Dr Hall that proper measures may be taken for their comfortable establishment on the Coast a subject which will now occupy the serious attention of our Committee. Dr Savages address is at the Theol: Seminary Alexandria Va. where he has been pursuing his Theol: course. Dr Milnor, tho' he will be much absent from the City, continues officially Sec.y & Gen.l Agent until the expiration of his year (12 oct.)

Your very obedy
for James Milnor Sec.y & Gen.l Agent F.C.
