

1791  
A Safe and Efficacious Remedy  
for the Cancer. Taken from  
a New Paper of the 29 of January 1791

Take the Narrow leaved  
Dock Root and boil it in  
water till it be quite soft  
then bathe the part affected in  
the decoction as hot as can be  
borne. three or four times a  
Day the Root must then be  
mashed and applied as a Poultice

Blackberry Syrup for the dysentery  
take the fruit before it is very  
ripe extract the Juice and to each  
quart add one Pound of white Sage  
Shagar, Stir and boil it about  
half an hour when cool enough  
to bottle add a small tea cup of  
good Brandy from one to four  
table Spoonfuls may be taken fre-  
quently as age and circumstances  
may require
