

leave there till Sunday night
and then I went to my home.
On my trip from home, there
was no time for me to stop
and I was in Baltimore
from Sunday till Monday
afternoon, ~~at~~ because the
boat did not leave, and of
course I saw all of the
O'Reillys except Bill.

But I must close, and now
answer this, as soon as you
can please, so I can get a
letter before leaving the
coast.

Give my regards to all
the folks, and hoping all
will be pleasant with
you I remain,

Your friend
