emigrants for the fall expedition.
I shall not however cease to use the utmost diligence to promote this important end, and still hope by the aid of divine Providence to subdue the prejudices of some more intelligent minds and thus secure their emigration to africa

With very great esteem
I remain truly

Colonization Rooms, Sept 1836

John H. B. Latrobe Esqr
Corresponding Secretary Maryland State Soc
Dear Sir

Owing to your absence from the City and the small prospect of having a meeting of the Board of Managers until your return, I have omitted to report the extent and success of my labours for several months past.

I could here remark briefly that since the first of March, when my labours commenced in the country, I have made three visits and spent much time in Montgomery County. the result of which I have already reported fully to the Board. Anne Arundel, Baltimore Harford and Prince George's have each been visited three times; St Mary's and Charles' once each, the time varying from one to three weeks spent in each County. It is not deemed necessary to enter into the details of my operations in each County, further than to state what appeared to be important to the interests of Colonization.

I attend the meeting of Charles' Court and on the second day of the Court address a large company assembled
