Mr Editor, Chester Town 12th Sept 1836

I have just prepared a notice for the meeting to be held in this place for the purpose of organizing the County society for this County. The meeting is called for Thursday evening 22nd Inst at 7½ o'clock, and so far as I am now prepared to judge, it will be indispensable that your talents and eloquence be employed. I have made two appointments to talk to the blacks of this County one tomorrow evening in this place, the other for Wednesday evening at Grafton neck, what success will attend the efforts cannot now be determined. I am not without hope.

On Thursday I leave for Easton and shall probably write, either to you or Mr Patrick from thence. Should you deem it important I shall be pleased to receive a letter from you, addressed in all this week and directed to Hanson Grace, Queen Anns County.

Respectfully
Yrs &c
