Upper Marlboro' Sept. 4th 1836.

Dear Sir,

Your letter has just come to hand - and it affords me pleasure this early to reply to it.

Next to the propagation of the Gospel throughout the habitable earth my heart is set on the emancipation & emigration back to the home of their Fathers, of our Coloured population. I have twenty seven belonging to me - all of whom I still hope will be able to leave Baltimore for Cape Palmas in the course of next Month. The difficulties are in the way. Whenever it may suit your convenience I shall be glad to see you here in Upper Marlboro. Let me know what day you can be here - and I will give notice. I presume you would be more likely to get the people together on a Saturday than any other day in the week.

With my best respects
I am yrs Very truly
Alex. G. Marbury.
