Boston Sept. 27. 1836.

Dear Sir,

I beg leave to inquire if your Society are about to send a vessel to Cape Palmas; and if so, when she will probably sail, and if we could send the Rev. D. White and his wife, and a colored man (a printer) who perhaps may be accompanied by a wife. We wish also to send a press and a few other articles; would be glad to know, in case your vessel could take them, what would be the charge for each passenger and what the rate of freight.

Hoping soon to be favored with a reply, I am, Dear Sir

Yours very respectfully,

H. Hill
