Easton 20th Oct 1836.

Dear Sir /

We had last night a very interesting Colonization meeting. Well attended and ably addressed. Speakers Mr. A. Spencer Esq, Chas. J. Dorsey temperance agent, Hon Judge Chambers, and myself. No doubt much was done to promote the cause, and the fruits will probably be seen after many days.

I have now to say, that one of the families who were to have gone out in this expedition has declined going. Seven in number; whether I shall succeed in supplying their places with a like number I am unable to say. Particulars will be explained when I see you.

All that can be done by me I shall certainly do, and have then to commit the cause to the care of him who alone can crown our feeble efforts with success.

Sincerely
Yours in great haste
John H. Kennard
