Ed. Friend

I feel it my duty to apprize thee that Wm Murray Esq of our Board, rec.d a call last week from S. K. Morris, who professed to be acting on behalf of your Soc, & solicited aid (he tells me) towards sending out 18 slaves from your State. Presuming that he is not authorized to act for you, I deem it only an act of justice to a sister Soc. to put you in possession of the fact.

However, if you have appointed him, it is equally due to you to add, that the A.C.S. having unfortunately employed him as Coll.r for the Af. Rep. in vain endeavoured to effect a settlement, the lawyer employed by them, having failed to obtain an interview. In great haste

I very resp.y

Thy friend
