Dear Brother

Your communication having date 23 November was duly received. I have collected all the subscriptions but two viz. Robt. Burns & Jonathan Burns those persons I have not seen as they do not live in this neighbourhood, none that have paid desire its continuation

I would have sent the money, by mail if I had have thought Delaware small notes would have answered. I think in a few days I shall be able to send the amount by private conveyance, In a few days I shall leave this place being called to take the place of one of our elder brethren, on a circuit therefore you will have to discontinue me as an agent — Yours in a peaceful Gospel
