Balt.e 1 mo. 9. 1837

Estimed Friend

I received thy polite Note requesting me to state, whether if elected, I would be willing to serve as a Manager in the State Col: Society.

In reply I may say, that it would have given me much pleasure to have joined in the laudable efforts of your respectable Board, on a subject so deeply interesting to the Cause of humanity; but my engagements at present are such that I cannot with propriety accept of the appointment. I am with much respect

Thy Friend
