that I would be glad to hide c. from
I been trying a long time to build an
ark for my own family how glad I
should be to see some friend to the cause
I should like to know your opinion
I hope you will write by Jane Windows
my niece I expect her home soon —
she is in Balt. & I shall send this to her care
I have sent your papers in every
direction and said so much about
~~Colo~~ — Colonization that it is no secret
they all agree that it is a good cause so
I fear I shall have to be a witness
against them because they do not
come up to the help of the Lord against
the mighty evil that is now already
on this neighborhood — may the
Lord direct us all in the path of duty
and guard us in this dangerous way

I remain very friendly
and respectfully
your well wisher. Jane Ball
